Person Memorial Hospital's mission is simple: Making Communities Healthier®. By creating places where people choose to come for health care, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Roxboro and Person County today and for generations to come. Thank you.

— David Ziolkowski, *CEO*
